The Annual Maintenance Contract Covers the following:

1. Four regular visits per year, once in a quarter, starting from the date of signing of agreement and receiving the advance payment in full.
2. Details of the activities and inspection carried out during the routine visit.
3. Spare parts are **not** supplied by the company during the routine preventive maintenance visit. Additional **5%** discount is applicable on spares for AMC holders. There will be no warranty on any electrical or electronic spare parts.
4. GST is payable as per Government Norms for all service bills raised by the company.
5. Dates of visit will be intimated at the time of agreement, on receipt of full payment in advance.
6. Company will make best efforts to arrange for the spares required.
7. Damage of parts will not be covered under AMC.
8. Uneven baking problems will not be covered under AMC.

Annexure-I

Scope of the AMC:

1. Inspection of alignments of belts and other alignments wherever needed.
2. Checking critical parameters wherever applicable.
3. Inspection of the Gear Motor and Gear Box.
4. Greasing of the Bottom Bearing. Regular greasing will be done from customer's end and cost of grease will be borne by the customer.
5. Checking the slackness of V-belts – will be adjusted if required.
6. Inspection of the Electrical System and any repairs if needed.
