

WKS800

Three-Station Knife Sharpener

Three-Station Knife Sharpener

MAIN FEATURES

- Two grinding wheels (fine and coarse), plus one stropping wheel provide maximum sharpness and polish.
- Grinds at 18° to 22° angles—the optimum angles recommended by knife manufacturers for best performance.
- Stropping wheel operates in reverse direction for more efficient blade polishing and removal of burrs.
- Magnetized drawer under grinding wheel captures metal shavings and makes cleanup easier.
- Compact footprint makes it easy to use on countertops, or store away in cabinets or on shelves.
- Save on knife-sharpening service charges.
- Limited One Year Warranty

ELECTRICAL

Voltage: 120

Frequency: 60 Hz

Watts: 32

Amps: amps .02

Plug Type: 5-15 ⓘ

Cord Length: 4 feet

SALES FEATURES

Maintain your kitchen knives properly with the Waring® WKS800 Three-Station Knife Sharpener. This compact unit grinds at optimum angles recommended by knife manufacturers, resulting in the sharpest blades possible. You can also polish your blades and efficiently remove burrs faster with the reverse direction stropping wheel. A magnetized drawer under the grinding wheel captures metal shavings and makes cleanup easy.
